MAJOR GIFTS COMMITTEE UPDATES

SUSAN B. HANLEY CHALLENGE GRANT

In support of our City's rich history, Susan B. Hanley, the great granddaughter of the man responsible for constructing the Historic Hanley House in 1855, has pledged

a \$25,000 challenge grant in support of the historic house museum. The Clayton Century Foundation has accepted the challenge and will raise \$25,000 to match the gift for a total of \$50,000. This is a unique opportunity to support Clayton's oldest home. The City of Clayton has identified an urgent need in the restoration of the museum. The rear porch is failing and must be rebuilt. The funds raised through Susan B. Hanley's challenge will be dedicated to the porch project. The porch will include an ADA ramp to allow for accessible entry to both the house and one of the museum's most significant attributes, the original outdoor kitchen which once served as the slave quarters for the farmstead.
